Rockville, Maryland

We have audited the accompanying statement of financial position of Luke's Wings, Inc. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. NOTES TO FINANCIAL STATEMENTS
December 31, 2009

Nature of Activities and Summary of Significant Accounting Policies

(a) Nature of Activities

Luke's Wings is a Maryland based nonprofit organization that is dedicated to the support of U.S. service members who have been wounded in battle. The organization provides families travel planning services and airplane tickets to visit those service members currently hospitalized at medical and rehabilitation centers all over the country.

As nonprofit described in Section 501 (c)(3) of the Internal Revenue Code, Luke's Wings is exempt from federal and state income taxes.

(b) Basis of Accounting

Net assets, revenues and expenses, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts specifically restricted or designated for future periods are reported as temporarily or permanently restricted support that increases these net asset classes. Luke's Wings has no restricted net assets at December 31, 2009.

(c) Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the supporting services benefited.

(d) Contributions and Contributed Services

Contributions are recognized in the period received or when the donor makes an unconditional promise to give. Luke's Wings receives a significant amount of donated services from a number of unpaid volunteers who assist in fundraising and management. The value of contributed services meeting the requirement for recognition in the financial statements was not material and has not been recorded.

(e) In-Kind Contributions

The value of contributed services, other than that provided by unpaid volunteers, is based on fair values established from information provided by the donor. Such items have been reflected as both in kind contributions support and as fund raising expense.

(e) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles sometimes requires management to make certain estimates and assumptions that may affect the reported amounts and disclosure. Accordingly, actual results could differ from those estimates.
