

**G. Anthony "Tony" Esteve – Board of Advisors – Luke's Wings**

Project Manager  
Truland Service Corporation  
2736 Franklin Court, Alexandria, VA 22302

As a Project Manager for Truland Service's Health Care Division, Tony is responsible for the overall management of electrical installation projects, as well as, supervision of maintenance activities for the critical day-to-day operations of several major DC area hospitals. In this position he strives to mitigate catastrophic power risks and keep all stakeholders aware of our activities' impacts on hospital business.

Tony has over a decade of experience as a customer focused electrical construction Project Manager. He has significant experience in cost management and mitigating financial risk. He annually manages multiple, concurrent projects in a portfolio budget exceeding \$7 million, and has managed large projects of over \$8 million of individual value. He is experienced in Government, Education, and Commercial segments, but his area of expertise is in the specialized Health Care sector. He is extremely knowledgeable in the unique coordination and regulations required for construction in hospital settings. In the realm of business development, his focus on strengthening customer and business relationships have brought in projects with new and existing clients.

Tony holds a bachelor's degree in mechanical engineering from the Virginia Military Institute and a M.B.A., concentrated in Real Estate and Urban Development, from the George Washington University.

In addition to his business pursuits, Tony is committed to the community through his service with the Luke's Wings Charity helping to providing transportation resources to wounded veterans and their families. He is the Treasurer for the DC Chapter of the VMI Alumni Association. In addition, Tony is active in the construction trade groups of the Washington Building Congress (WBC) and Associated General Contractors of Washington DC (AGCoDC) as well as a member of the American Society of Health Care Engineers (ASHE).
