

**Guy Filippelli, Chief Executive Officer, Berico Technologies, Board of Advisors – Luke's Wings**

Guy is the CEO of Berico Technologies, a firm that specializes in solving “hard-problem” technical challenges for the military, intelligence, and homeland defense sectors. Guy holds a B.S. in Economics from USMA, and received his B.A. and M.A. in Philosophy, Politics, and Economics from Oxford University, where he studied as a Marshall Scholar. He served nine years as a Military Intelligence officer before starting Berico.

Guy was recently named a Next Generation Fellow for the Center for New American Security and a term member of the Council for Foreign Relations. He is a recipient of the National Intelligence Medallion, the highest award for civilians within the Intelligence Community, is an Associate of the West Point Combating Terrorism Center, and serves on the advisory board of Luke's Wings, a charity dedicated to funding travel expenses for wounded warriors.
