LUKE'S WINGS PARTICIPATES IN "AMERICA SUPPORTS YOU NATIONAL FREEDOM WALK"

(Arlington, VA) - On Sunday, September 7, Luke's Wings participated in the fourth annual "America Supports You National Freedom Walk." Along with approximately 10,000 walkers and volunteers, Luke's Wings stood with many local and national organizations to remember those affected by the 9/11 terrorist attacks and to also advocate veterans' affairs.

Luke's Wings gave special attention to informing interested attendees of the group's purpose of flying family members to injured servicemen and women at the Walter Reed Army Medical Center.

Fletcher Gill, co-founder of Luke's Wings and attendee of the event stated, "Our goal was to show that we support the cause of America Supports You and also to increase awareness of what Luke's Wings represents. The level of interest and outpour of support for organizations like ours exceeded any expectations we had and we are more determined than ever to continue in our efforts."

Luke's Wings is a 501(c)3 Non-Profit Corporation. For interviews and further information, please contact the individual above. For more on Luke's Wings and the group's efforts, please visit www.lukeswings.org mail checks to Luke's Wings Inc. at 20 Ritchfield Court, Rockville, MD, 20850.
