We have audited the accompanying financial statements of Luke's Wings, Inc. which comprise the statement of financial position as of December 31, 2014 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

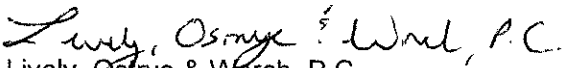

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Luke's Wings, Inc. as of December 31, 2014, and the results of operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**LUKE'S WINGS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2014**

**1 - Nature of Activities and Summary of Significant Accounting Policies**

**(a) Nature of Activities**

Luke's Wings Inc. (the Organization) is an incorporated Maryland based nonprofit organization that is dedicated to the support of U.S. service members who have been wounded in battle. The organization provides families travel planning services and airplane tickets to visit those service members currently hospitalized at medical and rehabilitation centers all over the country.

As a nonprofit described in Section 501 (c)(3) of the Internal Revenue Code, Luke's Wings is exempt from federal and state income taxes. The Organization had no unrelated business income in 2014.

**(b) Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting, which recognizes contributions in the period received or when the donor makes an unconditional promise to give. Expenses are recorded when incurred.

Net assets, revenues and expenses, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts specifically restricted or designated for future periods are reported as temporarily or permanently restricted support that increases these net asset classes. Luke's Wings has no restricted net assets at December 31, 2014.

**(c) Functional Expenses**

The costs of providing program and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the supporting services benefited based on the estimated benefit received.

**(d) Cash and Cash Equivalents**

The Organization considers all cash accounts and money market accounts to be cash and cash equivalents.

**(e) Pledges Receivable**

All pledges receivable are expected to be collected within one year.

**December 31, 2014**

**1 - Nature of Activities and Summary of Significant Accounting Policies (Continued)**

**(f) Investments**

Investments are carried in the aggregate at fair value. All unrealized and realized gains and losses, interest, and dividends are recorded as unrestricted revenues.

**(g) In-Kind Contributions**

Luke's Wings receives donations of frequent flier miles from individuals to provide airplane tickets to U.S. service members and their families. They also receive merchandise and/or services from various retailers and individuals some of which is auctioned off at the Organization's fund raising events. The value of contributed goods or services are recorded at the lower of their fair value established by the donors' retail price or the amount generated by the item's sale at auction. If an item is sold for an amount in excess of its fair value, the excess is recorded as a contribution. Items which are not sold at auction have been reflected as both in-kind contributions support and as in-kind program or fund raising expense. The value of contributed services, other than that provided by unpaid volunteers, is not material and as such no amounts have been reported in the financial statements.

**(h) Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles sometimes requires management to make certain estimates and assumptions that may affect the reported amounts and disclosure. Accordingly, actual results could differ from those estimates.

**2 - Concentration of Credit Risk**

Luke's Wings maintains its cash and cash equivalent balances in two financial institutions. The balances are generally insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At December 31, 2014, the Organization's cash balances totaled \$86,319, of which \$59,809 was covered by FDIC insurance and \$26,510 was in non-federally insured accounts.

**3 - Operating Lease**

Luke's Wings leases office space for its operations under an operating lease expiring April 30, 2015. The lease provides for minimum monthly lease payments of \$5,000 with a minimum annual escalation of 3%. Additional rent may be incurred based on increases in real estate taxes and operating expenses of the premises. It collects sublease income from a related party of \$4,800 per year.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2014**

**3 - Operating Lease (continued)**

<u>For the Years Ending December 31,</u>		<u>New Lease</u>
2015	\$ 20,018	\$ 48,230
2016	-	70,587
2017	-	87,322
2018	-	90,378
2019	-	93,537
2020	-	39,530
Total	<u>\$ 20,018</u>	<u>\$ 429,584</u>

Rent expense for the year ended December 31, 2014, was \$61,782 net of sublease income of \$4,800.

In April, 2015, the Organization entered into a lease for new office space. The new lease, with a five year term, begins June 1, 2015 and terminates May 31, 2020. The lease calls for monthly payments beginning September 1, 2015 following a two month rent abatement period and requires prorated payment for any increase in real estate taxes over the base period. The annual lease payments by year and the total obligation are presented above.

**4 - Fair Value Measurements**

Fair values of assets measured on a recurring basis at December 31, 2014, are as follows:

	<u>Fair Value Measurements at Reporting Date Using</u>			
	Quoted Prices in Active Markets for Identical Assets  <u>Fair Value</u>	Significant Other Observable Inputs  <u>(Level 2)</u>	Significant Unobservable Inputs  <u>(Level 3)</u>	
Mutual Funds invested primarily in Fixed Income Securities	\$ 421,636	\$ 421,636	\$ -	\$ -

**LUKE'S WINGS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2014**

**4 - Fair Value Measurements (continued)**

Financial assets valued using Level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets. Financial assets valued using Level 3 inputs are valued using unobservable inputs to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. Unobservable inputs are developed based on the best information available in the circumstances, which might include the Organization's own data and assumptions.

At December 31, 2014, the investments had a cost basis of \$420,969 and unrealized gains of \$667.

**5 - Advertising Costs**

The Organization expenses advertising casts as incurred. Advertising expense for the year ending December 31, 2014 were \$18,270.

**6 - Subsequent Events**

The Organization's Management has evaluated events subsequent to December 7, 2015, the date which the financial statements were available to be issued.
